Scorecards:

- DO NOT PICK UP FOR YOUR MAX ON ANY GAME COUNTING HOLE OR RISK ELIMINATION FROM THE PLAYDAY COMPETITION. If you are out of the hole or picked up for your max on any other non-counting hole enter the maximum hole score in Golf Genius. Golf Genius is unable to submit an X to GHIN. Maximum hole score for posting purposes is a net double bogey which is equal to two above par plus any handicap strokes you receive based on your Course Handicap.
- Official scorecards, prepared by the Pro Shop, will be provided for each team – ONE person will keep this card. Mark any birdies and/or chip-ins clearly on this official scorecard.
- Golf Genius will be used for scoring the game – ONE person (different from the official scorecard keeper) must enter the scores in the software app on a hole-by-hole basis.
- At the end of the game, these two scorekeepers must verify all scores and then sign the official scorecard.
- Return the official scorecard to the Pro Shop.

Posting of Scores:

- Participants scores are entered in GHIN by the Pro Shop for both Tuesday and Saturday playday rounds.
- If you do not post your scores through GHIN (Golf Handicap Information Network), you must post your score using Golf Canada or another World Handicapping System on the day you play your round.
